Special: Early AM Sat. Delivery

How to Order:

Standard shapes and sizes are easy to order. Simply refer to our PVC Sign Blank pricing sheet (also available at www.graphitek.com) for shape size and thickness selections. Finish your selection by choosing from one of the four edge contours. A typical sign blank item number will look as follows:

Custom-Cut Sign Blanks

(Choose any edge contour)

	3/8" depth	1/2" depth	3/4" depth
	price per sq. in.	price per sq. in.	price per sq. in.
Up to 175 sq. in.	.13	.16	.24
176 to 350 sq. in.	.12	.14	.21
351 to 525 sq. in.	.11	.13	.19
526 to 700 sq. in.	.09	.12	.16
701 or more sq. in.	.08	.11	.14

Set-up charge of \$25.00 for custom-cut sign blanks.
Set-up charge will be waived if you provide electronic file.

Edge Contours

All sign blanks are available with the edge contour of your choice. No up-charge for any edge contour selection.

Custom shapes and sizes are easy to order too! We will quickly produce any custom shape or size sign blanks that you need. All we need is the shape, size, thickness, edge contour and quantity that you want. And we'll waive our \$25.00 set-up fee if you provide your custom shape as an electronic file.
